EXECUTIVE SUMMARY

Product Leader and operator with 8+ years turning undefined, 0-to-1 opportunities into products the market pays for. Built a merchant payments suite from scratch to £2.4B in annual transaction volume across 100,000+ locations and 4 international markets, then took an AI-first analytics suite from 0 to £2M ARR and 20,000+ users, closing 10+ Enterprise deals along the way.

Ran GTM for the payments suite and managed junior PMs along the way. Owned multi-market monetisation strategy, using targeted pricing research to validate willingness-to-pay and drive tier adoption.

Looking for a Founding PM, Head of Product, GM or hybrid product/ops/GTM role at a small, high-autonomy, mission-driven company.

CORE COMPETENCIES

- **Go-To-Market Strategy:** end-to-end commercial execution, multi-market launches, international scale
- **Monetisation & Pricing:** tiered packaging, willingness-to-pay research, P&L optimisation
- **0-to-1 Product Leadership:** discovery through launch, product-led growth, roadmap prioritisation
- **Enterprise & Commercial Partnerships:** executive pitching, pipeline support, direct deal closing
- **Voice of the Customer:** user research and synthesis, Opportunity Solution Trees, market experimentation
- **Cross-Functional & People Leadership:** squad leadership, line management, C-suite stakeholder management

KEY ACHIEVEMENTS

- **£2.4B Transaction Volume:** Built and scaled Dojo's remote payment suite from scratch across 4 international markets, expanding distribution to 100,000+ merchant locations
- **£2M ARR From 0 to 1:** Conceived and launched an AI-first analytics suite, reaching 20,000+ users and directly closing 10+ Enterprise deals; shortlisted for Fintech New Product of the Year
- **163% YoY Net Revenue Growth:** Directed three cross-functional squads overseeing £2.4B in annual card turnover, through evidence-led, revenue-focused prioritisation frameworks
- **140% Tip Uplift & 115% Review Uplift:** Orchestrated rapid, post-payment product experiments and QR launch strategies that increased merchant value within six months
- **14% Conversion Uplift:** Solved a key feature-discoverability problem by replacing generic banners with contextual triggers, boosting Intelligence dashboard adoption
- **+50% Enquiry Conversion:** Scaled a direct-to-consumer MVP into a national John Lewis business line through pricing and package experimentation

PROFESSIONAL EXPERIENCE

Dojo | Lead Product Manager (AI, Data & Commercial) | May 2025 – Present

Led Dojo's move into AI-first commercial analytics, from 0 to a £2M ARR product line.

- Built Intelligence Lite and Intelligence Pro from 0 to 1, generating £2M ARR and 20,000+ users, and directly closed 10+ Enterprise deals; shortlisted for Fintech New Product of the Year

Dojo | Senior Product Manager (Revenue & Commercial Growth) | Nov 2022 – May 2025

Owned commercial performance across three squads and £2.4B in annual card turnover.

- Drove 163% YoY net revenue growth across three squads, running rapid post-payment experiments that lifted review conversion by 115% and merchant tips by 140% within six months

Dojo | Product Manager (Remote Payments, 0-to-1) | Mar 2021 – Nov 2022

Built Dojo's remote payments business from scratch.

- Scaled payment links, virtual terminals and SDKs across Dojo's mobile app and developer platform; recognised with Team of the Year and Creator Award

John Lewis Partnership | Delivery Lead (E-commerce & Checkout) | Mar 2020 – Mar 2021

Modernised checkout infrastructure for one of the UK's largest retailers.

- Integrated PayPal and BNPL solutions into checkout, improving transaction conversion rates

John Lewis Partnership | Product Owner (0-to-1 Ventures) | Oct 2018 – Mar 2020

Took two 0-to-1 ventures from concept to national scale.

- Scaled a direct-to-consumer MVP into a national business line, lifting enquiry conversion by 50% through pricing and package experimentation, earning 150+ five-star Trustpilot reviews
- Led 0-to-1 discovery and delivery of an industry-first in-home service, from concept through to localised beta

Waitrose | IT Graduate | Sept 2017 – Sept 2018

- Streamlined operational efficiency and resource allocation across 300+ retail branches through a comprehensive, data-driven workforce management transformation
- Rotated across software development, analysis and project management

Earlier: Business Associate, The Challenges Group (2017) | Research Intern, Chainformation (2015)

EDUCATION & PROFESSIONAL DEVELOPMENT

- **BSc Economics and Geography, University of Birmingham:** Advanced economic theory, Econometrics, developing economies
- Foundation in Business Change and Requirements Engineering, BCS, The Chartered Institute for IT

EXTRACURRICULAR

- **Red Bull Can You Make It:** selected from hundreds of applicants for a week-long, no-money, no-phone expedition across Europe using only Red Bull as currency
- **Devizes to Westminster International Canoe Race:** 125-mile non-stop overnight race, placed 3rd in the mixed doubles category
